#### თანამედროვე ხელოვნება თანამედროვე სივრცეში

პრინტის საერთაშორისო ფესტივალი LIFE-N-STYLE 2017 21 აგვისტოს ბათუმში გაიხსნება და შემდგომ მესტიაში, თელავში და ოზურგეთში გადაინაცვლებს. მისი ბოლო განერება თბილისშია.

Handmade print - ხელით ბეჭდვა თანამედროვე ვიზუალური ხელოვნების, კრეატიული ინდუსტრიისა და არტბიზნესის ერთ-ერთი მნიშვნელოვანი დარგია. მთელ მსოფლიოში ხელით ბეჭდვა მაღალ დონეზე განვითარებული. საერთაშორისო ფესტივალების, ბიენალეების მეშვეობით მიმდინარეობს ამ დარგის მუდმივი პოპულარიზაცია. მაშინ როდესაც პრინტი საქართველოში მხოლოდ იაფფასიან პროდუქციასთან ასოცირდება.

პრინტის კვირეული, მხატვრების, კოლექციონერების, სპეციალისტებისა და მოყვარულების შემოქმედებითი სინთეზის კარგი საშუალებაა. მნახველებს შეუძლიათ ასოციაცია „არტ კავკასიის“ მიერ წარმოდგენილი კოლექცია არა მარტო საექსპოზიციო სივრცეში, არამედ საზოგადოებრივი თავშესაფრის ადგილებში დაათვალიერონ - ქუჩის გალერეის სახით.

ხელით ბეჭდვა ნამუშევრების მცირე ტირაჟირების საშუალებას იძლევა და მათგან ყველა ორიგინალია. სხვადასხვა თაობის ადგილობრივი და უცხოელი წამყვანი მხატვრები სპეციალურად ფესტივალისთვის ქმნიან ნამუშევრებს, რომელთა ფასი ხელმისაწვდომი იქნება მსურველთათვის.

LIFE-N-STYLE - ფესტივალის კონცეფციაა, რაც თანამედროვე ხელოვნების ახალ ინტერეერებში შეღწევისა და თანამედროვე ცხოვრებაში ინტეგრირებას ითვალისწინებს. პრინტი და ტექსტილი - ამ თემას უკვე რამდენიმე წელია აქტიურად იყენებენ ტანსაცმლისა და გამოყენებითი ხელოვნების დიზაინში. გამოფენის პარალელურად იგეგმება პრინტის ტექსტილისა და კერამიკის სინთეზის პრემენტაცია.

პროექტს საპასუხისმგებლო მისია აკისრია: გამოავლინოს ხელით ბეჭდვის საუკეთესო ასპექტები, პრესტიჟული გახადოს ღონისძიება და ხელოვნების ამ დარგისადმი ინტერესი გაუღვივოს საზოგადოებას.

#### Contemporary Art in Contemporary Space

International Print Festival LIFE N STYLE 2017 starts on August 21 in Batumi, tours Mestia, Telavi and Ozurgeti. The last stop is in Tbilisi

Handmade print is one of the most popular direction of creative industry and art business. Worldwide many international exhibitions, festivals, biennales are organized to promote printmaking. While it is associated with the low quality production in our country.

This lively schedule of exhibitions, demonstrations and openings is focused on printmaking and its vitality as an artistic practice. Print Week enables collectors, artists, scholars, educators, and the public to connect with Print Festival guests, to discover new projects, enrich their knowledge of fine prints, and expand or begin their own collections.

Visitors have an unrivaled opportunity to view and acquire outstanding works across the diverse range of periods and specialties represented by the Art Caucasus Association not only in the exposition, but also in the public spaces - as Street Gallery. Printmaking gives chance to make some copies of the works - all of them are original. Excellent works can be found in all price ranges, including exciting new projects made exclusively for the festival from today's leading and emerging artists.

LIFE-N-STYLE - is the festival title and concept for this year and is directed Contemporary Art to be integrated in the Contemporary life & Spaces. Print is often used in fashion and ceramic design. Synthesis of Print textile and ceramics is presented on Collateral events of the festival.

Supporting the interest in all artistic expressions and to make the event prestigious is the target mission of the project.

## B.Y.E (VALENCIA, 2016)

B.Y.E. is an art collective formed by Borja Moreno and Esteban Ferrer (Alicante 1993 / Castellón 1993) and a member of the printmaking association L'Horta Gráfica. Moreno and Ferrer meet in 2011 at the Polytechnic University of Valencia and since then they have collaborated in many projects mainly working in printmaking. In

2016 they formed the art collective B.Y.E in order to seal their collaboration. B.Y.E, in addition to being an acronym for the members, also stands for the English meaning of "farewell" – as a farewell to the individual work in favour of the search for a collective spirit.
